

Call for Contributions to the ACeSYRI PhD Forum on 24th May 2021

Dear Colleagues, Students and PhD Candidates,

I would like to invite you to a PhD forum organized in the framework of the IEEE ISMVL 2021 organized online from May 25th till May 27th 2021. The forum is intended for young researchers and PhD students to present their current work, their contribution in the area of IT and Computer Science. The presented works can be the presentation of ongoing research, part of PhD research or the current state of your ongoing research activity.

The topics of interests are not limited to the following areas:

Computer Architecture	Signal Processing
Computer Networks	Optimization Algorithms
IOT	Machine Learning and Data Science
Artificial Intelligence	Intelligent Robotics and Applications
Parallel Programming and GPU acceleration	Information Technology

Submission

The submission to the PhD forum send an abstract, with author titles and title of the presentation to acesyri_phd_forum@protonmail.com email address. The deadlines for various steps of submissions and presentations are below:

- Submission of contribution deadline: May 1st 2021
- Notification of Acceptance: May 10th 2021
- Presentation Uploads deadline: May 20th 2021
- PhD forum: May 24th 2021

Presentation

Each accepted contribution will be presented by one of the authors for 10 minutes (in live presentation using zoom platform) and Q/A session for 5 minutes. Selected papers will be published in an online distributed proceedings. Authors of all accepted presentation will in addition have a free access to the entire IEEE International Symposium on Multiple-Valued Logic 2021.
